The Baglietto 46 motor yacht Mr. T was launched by the prestigious Italian shipyard in La Spezia in 2014. Francesco Paszkowski is responsible for her beautiful exterior and interior design. The yacht has been nominated finalist in various categories of the Showboats Design Awards 2015.

Mr. T features a displacement steel hull and aluminium superstructure, with teak decks. She was built to ABS (American Bureau of Shipping) classification society rules, and is MCA Compliant. The yacht is capable of a top speed of 17 knots, and comfortably cruises at 12 knots. With her 80,000 fuel tanks she has a maximum range of 4,500 nautical miles at cruising speed. Her water tanks store around 19,000 of fresh water.

The yacht offers plenty of space on three decks including a large 25 square meter beach club on lower deck level. The 5.5 m tender, rescue boat and jet ski are located forward on the bow area. For guest relaxation there is sunbathing areas, a fully equipped gym and plenty of water toys onboard.

Mr. T's interior configuration has been designed to comfortably accommodate up to 10 guests overnight in 5 cabins, comprising a master suite on the main deck and 2 double and 2 twin cabins on the lower deck. The cabins reflect a modern European style and are full of chic elegance.

The professional crew of 9 have their own separate crew compartment to ensure a relaxed luxury yacht experience.
