

Manatee

Builder: Hatteras Yachts

Model: 60 Convertible

Built: 2009

Length: 18.95 meters

Asking Price

Euro **1.600.000** VAT Paid

From the beginning of this model's design process, the Hatteras product development team has focused squarely on performance and fishability as top priorities. As such, the new 60 Convertible represents a paradigm shift for the company. Built in Hatteras facility in, North Carolina, the 60 will be one of the only fiberglass production boats to feature tumblehome in the hullsides. It will also be the first Hatteras to feature a completely resin-infused hull, rather than one built up of layers of hand-laid fiberglass. The automated resin-infusion process produces a more uniform hull thickness from one hull to the next, as well as the most ideal glass-to-resin ratio possible. This one-two punch produces a boat that weighs significantly less because of the lowered resin content, while providing a more precise fit of bulkheads, stringers and other components for increased strength and durability.

Currently lying dry-docking inside a covered shed and having been always shipyard maintained since its delivery, this Hatteras 60C is in impeccable condition, very clean and ready to be enjoyed by its next owner in a real "turnkey" status.

New listing. More details coming soon.

About us:

We have over 15+ years of experience dealing directly with Hatteras Yachts as brand managers, sales and construction supervisors. Since 2001, we have successfully managed the sale and/or the construction of over 100+ customised Hatteras & Cabo Yachts for clients in Europe and the Middle East.

YACHT DETAILS

Builder:	Hatteras Yachts	Model:	60 Convertible
Built:	2009	Total Staterooms:	4
Bathrooms:	3	Tax / Lease:	VAT Paid
Flag:	Italian	Location:	Olbia, Italy

YACHT CONSTRUCTION

Length:	18.95 meters	Waterline Length:	15.62 meters
Beam:	5.79 meters	Draft:	1.50 meters

Displacement:	43,000.00 kg	Hull Material:	Fiberglass
Hull Configuration:	Planing		

YACHT SPECIFICATION

Engines:	2 x CAT C-32 Fuel: Diesel Drive Type: Shaft Power: 1675HP	Total Power:	3350 HP
Cruising Speed:	28 knots	Maximum Speed:	36 knots
Fuel Capacity:	6.611 litres	Fuel Consumption:	370 Litres / Hr
Range:	500 nm	Generators:	1 x 21.5 kW Onan
Fresh Water Tanks:	757 litres	Holding Tanks:	378 litres

ELECTRONICS

Autopilot	Cockpit Speakers	Compass
Depthsounder	DVD Player	GPS
Log-Speedometer	Plotter	Radio
SAT TV	□ TV	VHF

ELECTRICAL EQUIPMENT

Electrical Circuit: 220V	Generator	Shore Power Inlet
--------------------------	-----------	-------------------

INTERIOR EQUIPMENT

* Air Conditioning	Battery Charger	Bow Thruster
Deep Freezer	Electric Head	Microwave Oven
Refrigerator
