Whether your lifestyle is suited for cruising or offshore sportfishing, the Hatteras 86 Convertible is well-equipped to meet all your needs with three decks of living space providing all the features of a mega yacht: a huge salon, spacious galley with dining area, full-beam master suite, VIP guest suite, two additional guest suites and separate crew quarters.

The large Hatteras 86 Convertible continues to provide long range advantages to serious sportfishing owners. Her 21-foot beam provides a stable platform in even the most unfriendly seas. The 161-square-foot cockpit features a live baitwell, freezer storage, washdowns, bait and tackle center storage, a transom fish box with plumed Eskimo ice chipper, and an in-deck fish box - everything for the serious angler. The spacious aft deck, perfect for entertaining, leads directly into the expansive salon, which features abundant seating, handcrafted cabinetry, and tailored window treatments. The spacious galley is forward of the salon and directly to starboard is the optional day head. A secure stairway, forward of the galley, provides access to the staterooms. The full-beam master suite easily accommodates a king-size berth, two large walk-in closets, and a built-in entertainment center. The master head features an oversized shower. Leading forward from the master stateroom are the three well-appointed staterooms. The port and starboard guests both feature convertible twin-to-queen berths, cedar-lined hanging lockers, and private en suite heads each with stall showers. The bow VIP guest suite features a walk-around queen berth, a built-in entertainment center, a cedar-lined hanging locker, and a spacious private head with shower. The crew stateroom features man-sized bunk beds, hanging lockers, and a private head with a stall shower. The engine room, forward of the crew area, is adaptable to the MTU / Detroit Diesels 16V2000 @ 1800HP power option. Over the past year the "SPHEREFISH" has undergone a complete exterior top side paint job, bottom job and miscellaneous system work. If you're looking for a sport fish convertible to accommodate the entire family and guests then look no further this vessel is a must see!
